MONTCLAIR'S GREAT LOSS.

Thousands attend the Funeral of Dr. Love.

The funeral of the late Dr. J. H. Love took place in Montclair on Monday afternoon. Business was suspended, flags were at half mast on many of the buildings, and although the main avenues were thronged, it was with people from every locality who came together with one accord to do honor to the memory of one whose citizenship had been notably a life of quiet, unremitting altruism.

The public funeral took place in the Congregational Church, the largest house of worship in this vicinity. It was found inadequate to contain the multitude of women and children who crowded in line who assembled to pay their last tribute of respect to Doctor Love. It was the largest funeral Montclair had ever seen. There were many beautiful floral offerings.

Promptly at the time announced for the services to begin, the casket, draped with a beautiful silk flag, was borne up the aisle and placed before the pulpit platform. The music was impressively rendered by a quartette choir.

Sorrowing with those who mourn the loss of husband and father, we present our tribute of love for him whose memory will ever remain green in our hearts, thanking God that our lives are enriched by his lived.

Resolved, That these resolutions be spread upon the records of the association, and published in the local papers, and that the same be sent to the Board of Directors.

faithful servant, enter into the joy of thy Lord."

After the benediction was pronounced the vast congregation, numbering more than a thousand, after viewing the casket and face of their departed friend, passed out of the church. This part of the service occupied an hour, as there were many outside the edifice who fled in to take a final view of one whom they had loved.

Among the many societies represented at the funeral were the Orange Mountain and Essex Medical Societies, Veterinarian Association, Thirtieth New Jersey Volunteers, Loyal Legion of the Society of the Army of the Potomac, Managers of Mountainside Hospital, Montclair School Board and Town Council and Montclair Gas and Water Company.

The pall bearers were Dr. E. P. Francis, Dr. James B. Brown, Dr. Richard Newton, Dr. H. P. Whitehouse, Dr. Hunton, Dr. Graves, Edwin B. Goodell, and Charles H. Johnson. The honorary pall bearers were Dr. Joseph B. Osborne, Dr. William Pierson, Captain Ambrose M. Matthews, Joseph Gowen, Dr. H. E. Baldwin, John R. Livermore, Philip D. Joseph and Joseph Van Vleck, representing the professional, military and civic associations of the deceased.

The interment was made in Rosedale cemetery with impressive services at the grave. After a prayer by Rev. Mr. Reed the bugle call of "Taps" was sounded by W. G. Garbrandt of Co. K. National Guard of New Jersey, a most touching incident in closing the simple ceremonies that consigned to rest the remains of our soldier citizen.

At a meeting of the Governors of the Mountainside Hospital, held on Monday Aug. 2, the following preamble and resolutions were passed:

Whereas, our Heavenly Father, in His infinite wisdom, has called from his earthly abode our beloved friend and co-worker, Doctor J. H. Love. We the members of the Governing Board of the Mountainside Hospital, desirous to express our deep sympathy in some of the great loss sustained, not alone by us personally, but more especially by this institution, for the welfare of which we have labored together. Dear to his heart was this great charity, and freely he gave of his time and means to make it a sure refuge for the suffering and afflicted.

He has pierced the veil which divides eternity, and we, who still wait, mourn his loss. A wise counselor, a true and loving friend, an enthusiastic worker, we grieve that he has left us, and pray that his mantle may fall upon us, and that we may receive a double portion of his spirit.

Sorrowing with those who mourn the loss of husband and father, we present our tribute of love for him whose memory will ever remain green in our hearts, thanking God that our lives are enriched by his lived.

Resolved, That these resolutions be spread upon the records of the association, and published in the local papers, and that the same be sent to the Board of Directors.

It is the desire of the family, and in keeping with the character of him whose form lies silent before us, that this service should be brief and simple, and that the same be confined to the service of God.

At another time and place we may hope for a memorial service. We are here in sympathy and in deep heart affection to gather around his form and utter the tribute of sorrow felt so keenly by us all, to express our heartfelt sympathy for his family, who to-day so deeply mourn.

The doctor's life and work stand for him, they praise him, they are his lasting monument. Our doctor cared not for eulogy. We saw it well when this whole community rose to do him honor at the celebration of his fortieth year of service and self-sacrifice among us. He said he was only one among many who had simply tried to do his duty.

Resolved, That these resolutions be spread upon the records of the association, and published in the local papers, and that the same be sent to the Board of Directors.
